MAKE YOUR GREEN ENERGY COMMITMENT TODAY

With the aim to achieve the Government of India's ambition renewable energy targets by 2022, the Secretary, Ministry of New and Renewable Energy (MNRE) has invited public and private sector companies and proprietorship firms to invest in the country's renewable energy sector in the five year period from 2015 - 2019. You may commit any quantum of generation, even 1 MW, in any renewable energy sector. The project cost is approximately INR 7 crore per MW. The MNRE will assist you in every step of the process.
